# YOUR INVITATION TO ATTEND

On behalf of the Board of The American Association of Nurse Attorneys (TAANA) and the TAANA Foundation, it is my pleasure to invite you to attend our Annual Meeting and Educational Conference in Dallas, Texas.

The Educational Conference will address a number of hot topics including those related to infectious disease, emergency management, addiction, administrative law, and ethical dilemmas.

In addition to participating in continuing education and cutting-edge discussions that will improve your practice, networking opportunities will be available for everyone, including new members and first-time attendees.

During our Welcome Reception, the TAANA Foundation will recognize this year's community grant recipient. The Annual Luncheon, graciously sponsored by NSO, will include a presentation of awards to outstanding TAANA members.

All attendees are also invited to a special off-site evening trip out to Fort Worth. Billy Bob's offers 100,000 square feet of rootin' tootin' Texas fun. But if eating bar-b-q, watching live bull riding, listening to country music, or boot scootin' on the dance floor is not your style, you may explore the historic Fort Worth Stockyards instead.

Come join us November 10-12, 2016, and be a part of this exceptional conference in the Lone Star State!

*Sincerely yours,*

*Melanie Balestra, JD, NP, MN*

*TAANA 2016 Conference Planning Committee Chair*

## BUS TO BILLY BOB'S AND FORT WORTH, TEXAS

MEET IN LOBBY AT 6:45PM ON FRIDAY, NOVEMBER 11, 2016

Billy Bob's 100,000 square feet of rootin tootin Texas fun in the Fort Worth Stockyards. Two Stepin we got it, barbecue – we got it, western music – we got it, shopping, we got that, bull riding – we got that too.

The building now known as Billy Bob's Texas was built in 1910 and was once an open-air barn used to house prize cattle for the Fort Worth Stock Show. In 1936, as a Texas Centennial Project, the building was enclosed by the City of Fort Worth at a cost of \$183,500 and the tower over the main entrance was added. The "new" structure contained 1,257 animal stalls, and a 1,200 seat auction ring that is now the Billy Bob's Bull Riding arena. Livestock events were held here until the stock show moved to the Will Rogers Memorial Complex, in 1943. During World War II, the building was used as an airplane factory for the Globe Aircraft Corporation. In the 1950's the building became a department store so large that the stock boys wore roller skates to make their jobs easier.

Billy Bob's Texas opened April 1, 1981 with national attention featuring Larry Gatlin & the Gatlin Brothers as the first performers. Other artists who appeared during opening week included Waylon Jennings, Janie Fricke, and Willie Nelson. With 100,000 square feet of interior space and 20 acres of parking for entertainment and events, Billy Bob's features 30 individual bar stations, live music with country music's biggest stars, Live Pro Bull Riding, and a Texas size dance floor.

Billy Bob's Live Pro Bull Riding is sanctioned by Championship Bull Riding (CBR) and contestants compete every Friday and Saturday night. We're talking real bulls- not mechanical! Billy Bob's also offers our guests a chance to be a rodeo star by providing an authentic stuffed bull photo opportunity as if they were part of the live action.

- Billy Bob's can accommodate up to 6,000 people and is open daily with entertainment nightly.
- Billy Bob's has been named "Country Music Club of the Year" 12 times.
- Merle Haggard made the Guinness Book of World Records for buying the largest round of drinks when he bought 5,095 drinks of Canadian Club for the entire club. The bill totaled \$12,737.50 and equaled 40 gallons of whiskey.
- More Than 17 million visitors have come through Billy Bob's Doors since 1981.

- More than 47,500 bulls have bucked in Billy Bob's arena to date.
- Billy Bob's launched its recording label in 1998.

Billy Bob's Texas has been featured on several TV and Movie screens and has served as the location for several music videos for country's biggest stars. A number of episodes of the original television series "Dallas" were shot on location. Other shows include "Walker Texas Ranger," CBS's "Happy New Year America," "CBS This Morning," VH1 "Rock of Love", and "Nashville Star." Billy Bob's has also been highlighted in several travel shows and news features.

- "Over The Top," starring Sylvester Stallone in 1987
- "Baja Oklahoma," with Lesley Ann Warren, Peter Coyote & Willie Nelson in 1988.
- "Necessary Roughness," with Scott Bakula, Sinbad, Robert Loggia & Kathy Ireland in 1991.
- "Pure Country" in 1992, starring George Strait.

While Billy Bob's is known for hosting the biggest stars in country music, it also hosts Rock 'n' Roll & Pop Music stars. Ringo Starr, .38 Special, Men At Work, The Go-Go's, Steppenwolf, REO Speedwagon, Styx, Pat Benatar, Heart, and ZZ Top have all performed at the World's Largest Honky Tonk. Even Ray Charles and Bob Hope have performed onstage at Billy Bob's Texas.
